MEMORANDUM FOR THE RECORD

Morning Meeting of 27 February 1968

Godfrey reported MACV's concern that the tanks sighted near Tay Ninh, one of which was put out of action, may have been Cambodian.

The Director urged D/ONE to maintain close contact with Tom Hughes concerning the timing and related matters of the proposed Estimate on the future of Vietnam.

DD/S reported that during yesterday's rocketing of Tan Son Nhut ten Air America planes were damaged, two of them seriously.

Warner reported that Senator Montoya's visit with the Director has been postponed and tentatively rescheduled for next Wednesday.

DD/S&T advised that an OXCART Vietnam mission is scheduled for tonight, although the weather appears bad at this juncture.

25X

The Director asked DD/P to ensure that State is consulted on possible U. S. Government responses to queries arising from an article in the forthcoming issue of Ramparts purporting that CIA killed Che Guevara.

The Director announced that tomorrow morning's Executive Committee Meeting is canceled.
